

## **Grand Prix Dressage Trainer, Sahar Daniel Hirosh, Proves Harmony and Preparedness Triumph**

Bedminster, NJ (July 31, 2013) – International Grand Prix dressage competitor and trainer, Sahar Daniel Hirosh, has proven once again that preparedness and patience prevail with the triumphant return of his mount, Coco Cavalli, a licensed Oldenburg stallion owned by Dr. Phillip and Lisa Grossi of Montana. As a Choice of Champions sponsored rider, Hirosh focuses on complete health and harmony with each of his horses to develop their full potential and bring them back from injury.

Hirosh debuted the Grand Prix stallion, Coco Cavalli, on June 30th, 2013 at the Intermediate 1 level to win with a score of 75.5%. It has been a long journey to bring Coco Cavalli back into competition. In 2008, the impressive grey stallion suffered an injury that has kept him out of the competition arena for the last 5 years. However, with the assistance of Choice of Champions' nutritional supplement program, Hirosh has been able to bring Coco Cavalli into the spotlight again. Coco Cavalli scored an impressive 9.0 for his extended trot and scored 8's for his half-pass, flying changes, and extended walk.

Representing Choice of Champions International, Sahar Daniel Hirosh enjoyed a second season highlight with the Rhinelander mare, Sacro Santa by Sandro Hit and out of Coco Chanel. The mare is also owned by Dr. Phillip & Lisa Grossi of Bozeman, Montana. The pair had a successful debut in the FEI ring to win the Prix St. Georges level with a score of 71% during the Dressage at the Ranch on July 16th, 2013 in Bedminster, NJ. Sacro Santa achieved multiple scores of 8.0 as well as an 8.5 on the canter pirouette.

Hirosh accredits much of the success and overall health of his horses, especially that of Coco Cavalli, to the customized supplement plan designed by Choice of Champions. With the support of Choice of Champions International, Coco Cavalli has not only returned to the show arena, but also returned to win.
